

## VECTOR.NET USER AGREEMENT (PERSONAL USE LICENSE)

This User Agreement ("Agreement") is a legal Agreement between you and Vector.NET for the use of the downloaded vector artworks. This Agreement governs the terms by which users of the "Vector.NET" website ("the Site") obtain the right to use the downloaded artworks ("Footage"). This Agreement is in addition to the "Terms of Use" applicable to the Site. By using the Footage downloaded from the Site, your use indicates your Agreement to the terms of this personal use license Agreement. If you do not agree, do not use the Footage.

The Site licenses to you the use of the Footage only as provided below on a non-exclusive and non-transferable basis. You may use the Footage for your personal projects, presentations and advertising. All other rights in and to the Footage, including, without limitation, all copyright and other intellectual property rights relating to the Footage, are retained by Vector.NET or the supplier of the Footage. Any use of the Footage that is not permitted, shall constitute infringement of copyright. You may not use the Footage on commercial products or sell it to others for consumption, reproduction or re-sale. You may not distribute or sublicense the Footage or the rights to use the Footage to anyone for any commercial purpose. You may not use the Footage in templates for resale, e.g. website, flash, PowerPoint or brochure templates. You may not use the Footage for any resale or license purposes unless the Footage has been fundamentally modified that it constitutes a completely different and original work. If there is any doubt that your artwork is a permitted derivative work, or if you want to obtain an Extended License, send us an email at info [at] Vector.NET.com or use the contact form on the Site.

In order to use the Footage on your website or blog, it is absolutely required to link back to the Vector.NET website: <http://www.Vector.net>. The link must be clearly visible on every page of any website that uses the Vector.NET Footage. It is not allowed to remove the legal line or Vector.NET logos.

The Site does not warrant that the Footage will meet your requirements or that its use will be error free. You agree that use of the Footage is at your sole risk. All Footage is provided on an "as is" basis without warranties of any kind. Should the Footage prove defective, you assume the entire risk whether as to ownership, technical or legal compliance, or otherwise. The Site assumes no responsibility for any actions or liabilities arising from the use of the Footage. Under no circumstances shall the Site be liable to you or any third-party for any indirect, consequential or incidental damages. In those countries or states that do not allow the limitation of liability, liability is limited to the fullest extent permitted by law.

In no event shall the Site or the Footage providers or their respective directors, employees, shareholders or partners be liable for any incidental, indirect, punitive, exemplary, or consequential damages whatsoever in connection with any claim, loss, damage, action, suit or other proceeding arising under or out of this Agreement, including without limitation your use of, reliance upon, access to, or exploitation of the Footage or any part thereof.

This Agreement can be revised at any time, and such revision shall be effective immediately upon the posting of the revised Agreement at the Site. You agree to review the Agreement periodically to become aware of such revisions. This Agreement is effective until either party terminates it at any time. You can terminate this Agreement by destroying the Footage along with any copies or archives of it or accompanying materials or derivative works.

Any and all disputes arising in connection with this Agreement, including without limitation, its validity and interpretation shall be submitted to arbitration in Pune (IN). If you have concerns relating to this Agreement, please contact Vector.NET at info [at] Vector.NET.com or use the contact form on the Site.
